DAY 1

MANAUS, BRAZIL Welcome to the capital of the Amazonas region where you will be met by a Cosmos representative. Located in the dense Amazon Jungle area, Manaus preserves images of its opulent past and is still a major port—even 1,000 miles inland!

DAY 2

MANAUS-AMAZON JUNGLE Floating past the clustered huts of locals living on the banks of the river, cruise down the Rio Negro to the Meeting of the Waters. Marvel at the confluence of the dark-colored Rio Negro and the light chocolate-colored Rio Solimões, where the two rivers come together to form the mighty Amazon. For four miles, these two bodies of water flow side by side before they mix together. Later, disembark at a jungle island (water level permitting) with fascinating native flora and fauna. This afternoon, arrive at the Ecopark Jungle Lodge on the banks of the Rio Negro inside the Amazonian rainforest.

Breakfast Lunch Dinner

Later, visit the Monkey Jungle Reserve, where researchers work to rehabilitate primates like spider, squirrel, woolly, and capuchin monkeys and reintroduce them into the jungle.
